

Bad Medicine

The Message of Habakkuk

Habakkuk's Problem: *"Why does wickedness go unpunished?"* (1:2-4)

God's Response: *"I will use the wicked to punish Judah's wickedness"* (1:5-11)

Habakkuk's Problem: *"The medicine is worse than the disease"* (1:12 – 2:1)

God's Response: *"The wicked will be punished & faith rewarded"* (2:2-20)

Habakkuk's Praise: *Revive Thy Work* (3)

Questioning God is acceptable.
Refusing to trust God is our downfall.

Where God seems most hidden,
God is often most active...
*in ways that
blow our minds!*
